

2.2.1 - The institution assesses the learning levels of the students and organizes special programs for advanced learners and slow learners

JJMCOE has adopted a continuous evaluation system, which assesses the learning levels of the students throughout the semester. Students being from diverse academic background, their response varies during the assessment process. The institute therefore has formulated strategies that identifies the slow and advance learners in the initial stage of each academic session.

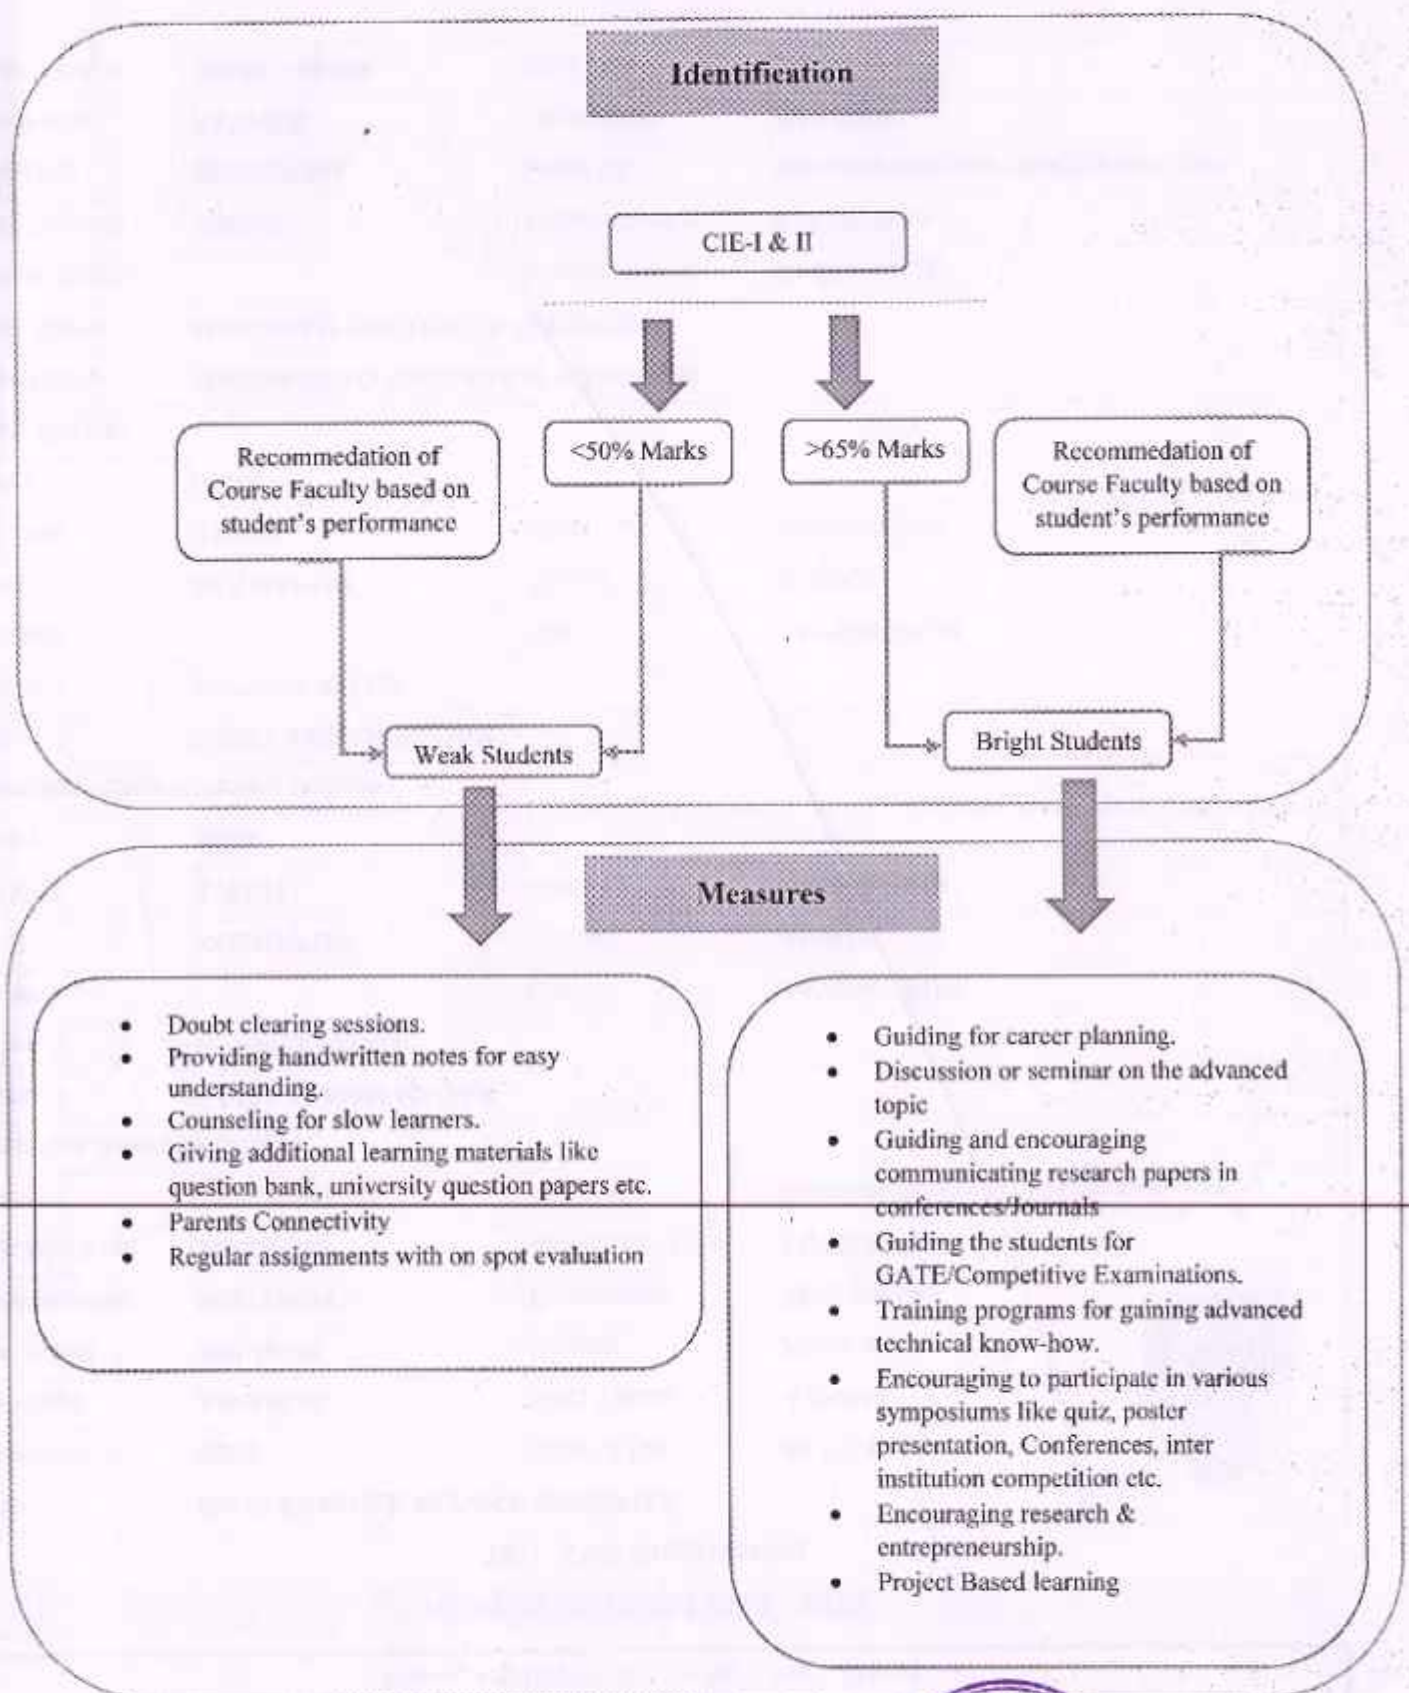

Advanced and slow learners are identified based from the first CIE results (students scoring less than 50% are slow learner and the students scoring more than 65% are advanced learner) and also based on report received from concern faculty. The faculty reports are based on student's performance during lecture and practical sessions.

Additional efforts are taken to improve the performance of slow learners like doubt clearing & counseling sessions. Hand written notes and additional learning materials like question bank, university question papers, etc are also provided for easy understanding. Parents of slow learners are informed regarding attendance and examination result through parent meeting, phone call, sending letters.

Various activities are conducted for advance learners to improve their skills like guiding for career planning, seminar on the advanced topic, Project Based Learning, encouraging for quiz, poster presentation, conferences, inter institution competition, guiding the students for GATE/Competitive Examinations, entrepreneurship, etc.

Methodologies to support weak students and encourage bright students

Departmental Exam Cell

Date: 05th September 2023

Notice

All the Students of TY and Final Year IT department are hereby informed that department will be conducted extra lectures for Stronger and Weaker students. Lectures will be start on 6th September 2023 onwards

Identification of Stronger and Weaker students is as follows:

- Stronger students- Above 20 marks in CIE-I
- Weaker students- Below 15 marks in CIE-I

So all the Stronger and Weaker students attend the extra lecture as per time table
