Sub.: Annual Support charges for VidyaSagar.

Respected Sir,

Thank you very much for adopting our software Vidya-Sagar in your library.

It is working since 13.10.2011. The support period of 12 months was finished on 12.10.2021.

We have given all software updates and necessary support in this period.

Support includes -

1. Your valuable data maintenance on our server,
2. Software upgrades with new features.
3. Necessary support as and when required.
4. Search more than 17 lakh books of 63+ college libraries connected to VidyaSagar.

As discussed and finalized on 13.10.2011, the software services are purely based on annual maintenance basis. Our annual charges of Rs.7500/- for library software are payable for the period starting from 13.10.2021 to 12.10.2022, and essential to pay to use the software.

These are subject to increase w.r.t. rate of inflation & Govt. D.A. We increase only Rs. 250/- per year to justify the increasing expenses.

These charges are to be paid before the mentioned period to get technical support and upgrades.
