

The Policy and the Procedure for maintaining and utilizing Physical academic and the support facilities

Physical facilities The physical facilities including Laboratories, Classrooms and Computers etc. are made available for the students those who are admitted in the college. The students seek admission to desired courses including a laboratory curriculum they are charged for the laboratory expenses at the time of the Admission as suggested by the statutory body in addition to that a non-salary grants are allocated for the maintenance of the laboratories and the classrooms which a part of the teaching and the learning processes.

The classrooms boards and furniture facilities are utilized regularly by the students but sometime it is also made available for the other governmental and the non-governmental organizations for conducting the exams like scholarships etc. if not in use for the said period. The maintenance and the cleaning of the classrooms and the laboratories are done with the efforts of the non -teaching staff and in major cases the college goes for the maintenance contract to local experts. The college garden is maintained by the gardener appointed by the institute.

The college has adequate number of the computers with internet ~~connections and the utility software's distributed in different locales like~~ office, laboratories, library, departments etc. All the stakeholders have equal opportunity to use those facilities as per the rules and the policies of the institution. The central computer laboratory connected in LAN is open for the students as time permits them, the office computers which are also connected through the LAN is consisting of the office software making work easier and systematic are restricted their use only to the appointed office staff.

The library is also provided LAN facility for the computers and they are loaded with the library software. The departments and the staff can make use of the computer system with internet at their seating places in addition that majority of the staff has their own laptops and the internet providing instruments,

The academic support facilities like library, the sports and the other platforms supporting overall development of the students like NSS or Competitive examination cell etc. is open not only to the college students but also to all the stakeholder in the surrounding with prior permission of the authority.

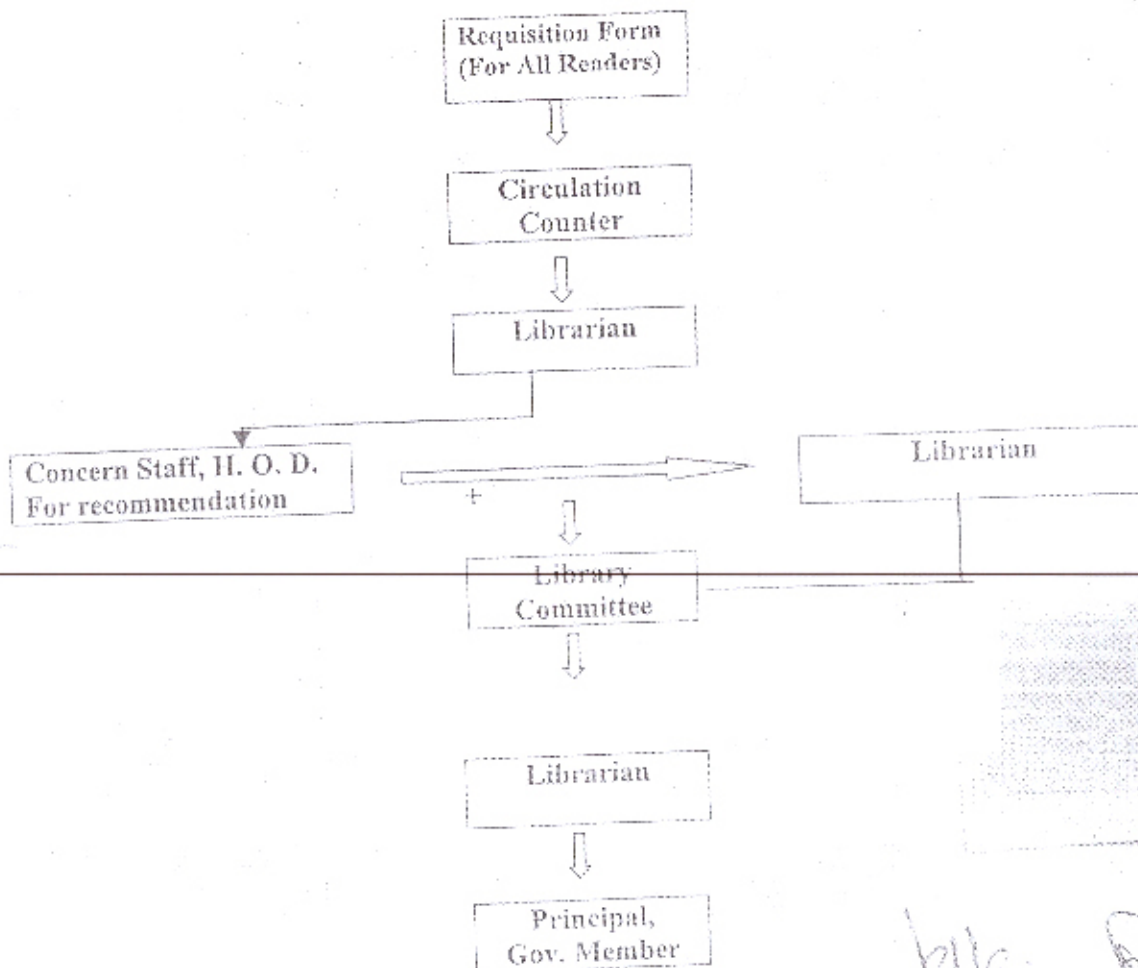

For student require for purchase of new books: -

For betterment, library has used to take information consideration requests so far given/received from students.

It is note worthy to state that, student can also submit his/her request for procurement of books. Such a requisition is always made available at (circulation counter) library, with through which requisition, if any can be submitted.

Immediate upon receipt of such requirement the library forwards it to the staff concern for their opinion, suggestion and recommendation & upon getting recommendation such matter is used to put before next higher authorities for decision requiring purchase to books etc.

Trust Account section

- Utilization of Open Source Software shall be encouraged.
- Secured Wi-Fi facility with reliable hardware is highly recommended
- Utilization of indigenized Video conferencing facility is recommended
- Library, Administrative Offices and Faculty members shall be provided with exclusive computing facilities along with LAN and Internet. This shall be considered as over and above the requirement meant for PCs to students (a+b)
- Adequate number of software licenses is required
- Central Photo copying facility for students is preferred
- PC shall also include Laptop in the inventory of the Institution
- Every Department shall have separate Computer Laboratory with at least 20 Computers and a centralized Computer Laboratory with at least 100 Computers.
- Effective utilization of ICT / Research / Other academic related facilities extended by agencies / organizations through MoU with AICTE is highly recommended (<https://www.aicte-india.org/education/collaborations>).

5.2 Laboratory Equipment and Experiments

The Laboratories shall have Equipment as appropriate for experiments as stated/suitable for the requirements of the affiliating University/ Board's Curriculum. It is desired that the number of experimental set up be so arranged that maximum four students shall work on one set.

5.3 Books and Library Facilities

Programme	Total Number of Divisions	Titles	Volumes	Reading Room Seating	Multimedia PCs for Digital Library/ Internet Surfing located in the reading room
		Number	Number	% of Total Students	% of Total Students
Engineering and Technology/ Applied Arts and Crafts/ Hotel Management and Catering Technology (Diploma)	B	Half the number as required for Under Graduate Degree Course in the same Programme	Half the number as required for Under Graduate Degree Course in the same Programme	15 % (Max. 150)	Minimum 10
Engineering and Technology (Under Graduate)	B	100 [#] 50 per* Course	500xB [#] 250 per* Course		
Planning (Under Graduate)	B	100 [#] 50*	400xB [#] 400xB*	15 % (Max. 150)	Minimum 10

MCA/ PGDM/ MBA (Post Graduate)	B	100 [#] 50*	500xB [#] 500xB*		

B - Number of Divisions at First year

1	Book Titles and Volumes required at the time of starting a new Technical Institution equally distributed per subject.
2	Annual increment equally distributed per subject.
3	Total number of Titles and Volumes shall be increased in continuation till 10 years from the starting of the course(s), which shall be the minimum stock of Books. Institutions shall have to add an annual increment of Books based on the changes in Curriculum and Syllabus from time to time by the affiliating University/Board.
	NOTE: After 10 years as per the Affiliating Body Curriculum and Syllabus, the Older Edition Books shall be replaced with latest edition by 5% of the total minimum Books required for that Programme.
4	Component for additional Division/ Course.
5	Books shall also include subjects of Science, Humanities, Management and Social Science as per the requirements of the Curriculum and Syllabus.
6	Digital Library facility with multimedia facility is essential.
7	Reprographic facility in the Library is essential.
8	Document scanning facility in the Library is essential.
9	Library Books/non Books processing as per the standard classification and cataloguing system is essential.
10	Facilities to access the Online Courses is essential.
11	Library automation software including Bar coding is desirable.
12	Upto 66% of the total number of Titles and Volumes may be in the form of e-books with intranet access is mandatory in case of Post Graduate Level Programme(s) and shall be desirable in case of UG/ Diploma Programme(s). Member in NDL/ Indian National Digital Library in Engineering Sciences and Technology (INDEST) or any other National Consortium is permissible for e-books.
13	The Institution shall be a member of National Digital Library. Aggregators shall also be used.
14	NDL membership for faculty and students is highly desirable.

As per norms. Title Required - 17 per Branch.
