Name of Activity: Celebration of International Yoga Day

Day & Date: Tuesday, 21st June, 2022.

N. S. S. Unit, Dr. J. J. Magdum college of Engineering has successfully celebrated International Yoga Day on 21st June, 2022. Yoga is a mental, physical and spiritual practice that needs to be carried every day and this was a great opportunity to feel the value of this discipline.

The program was started at 10 am. Campus Director, Dr.S. S. Admthe sir was the chief guest of this function. Prof. B.N. Shinde Sir was present. Shri. Mohan Jagtap, who is yoga expert, dietician, naturopath as a main instructor of Yoga.

Initially, the program officer of the National Service Scheme, Prof. P. A. Chougule briefly welcomed all the attendees by giving information about importance of celebration of Yoga Day. Then dignitaries were felicitated. Next Saraswati Poojan was performed by all dignitaries. Balaji Jare, a volunteer of Rashtriya Seva Yojana, introduced the keynote speakers to all the attendees.

Shri Mohan Jagtap Sir, gave information about Yoga. The Instructor started the session with a prayer and explained how yoga embodies unity of mind and body. He said International Yoga Day has been celebrated annually on 21 June, since 2015. Prime Minister Narendra Modi has recommended the date of 21st June while addressing General Assembly in 2014. As 21st of June is the longest day of the year and shares a special significance in various parts of the world.

He also took demonstration session of Yoga asanas. Finally, the session ended with meditation and prayer. The event was attended by 100 participants including teachers and non-teaching staff of the college and NSS volunteers and students of the college.

The participants benefited from the session and expressed their thanks to Prof. R. D. Mane for conducting the session on the occasion of International Yoga Day. The college is further planning to make YOGA as a regular affair for all faculty and students in the coming academic session.

Key Features of Cloud based College ERP Software

- ▶ **Admission Management**
- ▶ **Fee Management**
- ▶ **Student Management**
- ▶ **Course Management**
- ▶ **Attendance Management**
- ▶ **Feedback Management**
- ▶ **Employee Management**
- ▶ **Inventory Management**
- ▶ **Library Management**
- ▶ **Examination Management**

▶ **Admission Management**

- ▶ This is one of the features of ERP that guarantees that the admissions process is completed quickly and efficiently.
- ▶ Data for official records and reports can be easily retrieved and processed. Students can be registered online, applications can be verified and shortlisted online, and admission forms and fees can be sent online.

▶ **Fee Management**

- ▶ With this one of the features of ERP creating trackers of how many students paid their fees on time, the manner of payment, scholarships received by students, outstanding fees, generating fee challans, and so on would be just a piece of cake.
- ▶ Fee Management feature aids in the collection of fees on campus and provides parents with useful reports and timely alerts.

The image shows two screenshots of an ERP dashboard. The top screenshot displays a navigation menu on the left with options like 'Home', 'Admission Management', 'Fee Management', 'Student Management', 'Library Management', and 'Examination Management'. The main area shows a line graph and several data cards. The bottom screenshot shows a bar chart with multiple bars representing different categories, with two circular icons below it.

▶ **Student Management**

- ▶ Maintaining records such as personal information, including images of students, previous institute information, birth and other educational certificates, admission in which streams and standards, and so on would no longer be a time-consuming effort.

▶ **Library Management**

- ▶ All library-related actions, such as searching for books, finding them, then issuing and tracking, and so on, are handled by the library management feature.

▶ **Examination Management**

- ▶ This is one of the most important features of ERP that aids in the creation of examination calendars as well as the management of exam notifications. Students' grade book reports are created using the examination details.

The image shows a screenshot of an ERP dashboard titled 'Personnel/Class Management System'. It features a navigation menu on the left and a main area with a circular gauge chart and a data table. The table has columns for 'Name', 'Age', 'Gender', 'Address', and 'Contact No.'. There are also some icons and buttons at the bottom of the dashboard.

Attendance Management

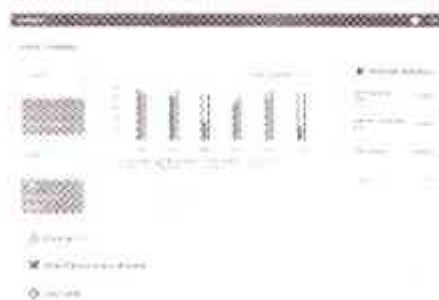

- The ability to track attendance, both for staff and students, are the major features of ERP. This makes it easier to keep track of the pupils present in the institute and ensures that attendance is maintained. This feature makes the tedious task of taking a roll call for the pupils much easier.

Inventory Management

- Inadequate inventory management causes inappropriate allocation of goods. This feature manages the college's purchase orders, goods invoicing, stock management, and equipment, creates comprehensive asset reports.

Employee Management

- Staff must be managed in the same way that students are. Everything from their attendance to their remuneration is included in this. It's difficult to manage an educational institution's entire staff, so using this feature to release salaries and other charges is a good idea.
