7.3.1 Portray the performance of the Institution in one area distinct to its priority and trust within 1000 words

**Response:**

### **Industry Institute Interaction**

The institute is keen to collaborate with industry partners in areas such as product development, testing and consulting, knowledge transfer, skill training, internships, projects, etc.

### **Objective**

1. To create ancillary educational programs that meet the industry's general standards and can produce engineers or technocrats who can meet demands of industry.
2. To coordinate research & development activities in accordance with Institute.

Industry Measuring attributes for Industry Institute Interaction are

- Faculty industry training.
- Industrial visits for students & faculty.
- Internship Training for student
- Industry Supported Laboratories
- Industry involvement in partial delivery of regular courses
- Alumni involvement
- Industry representation in Department Advisory Board

Above attributes are achieved by:

1. A variety of forums and events, such as expert talks, guest lectures, Department Advisory Board, value-added programs, student project mentoring, etc. are organized which involve interaction between technologists from industries, faculty members and students
2. Identifying and persuading motivated students to participate in industry-sponsored projects
3. Member of Departmental Advisory Board are constituted by involvement of industry persons.
4. Industry Personnel interact with students through Guest & Expert Lectures exploring recent technologies.
5. Industrial visits/ field visits have been undertaken by students

Reversion)	:	2840 X 1400 = 3976000
		<b>Total = 3976000</b>
42. Built-up area	:	1330
43. Year of construction	:	2012
44. Estimated future life	:	@ 68 years under normal condition
45. Present rate of construction	:	Rs. 2500 per sq.ft.
46. Present cost of construction	:	1330 X 2500 = 3325000
		<b>Total = 3325000</b>
47. Depreciation	:	As per the following table

Considering the life of building to be 80 years & 10 % scrap value.

Age in years	Rate of depreciation per year	Total depreciation
1 <sup>st</sup> slab : 0 to 5	Nil	Nil
2 <sup>nd</sup> slab : 5 to 10	½ %	2.5 % for 2 <sup>nd</sup> slab
3 <sup>rd</sup> slab : 10 to 20	¾ %	7.5 % for 3 <sup>rd</sup> slab
4 <sup>th</sup> slab : 20 to 40	1 %	20 % for 4 <sup>th</sup> slab
5 <sup>th</sup> slab : 40 to 80	1 ½ %	60 % for 5 <sup>th</sup> slab

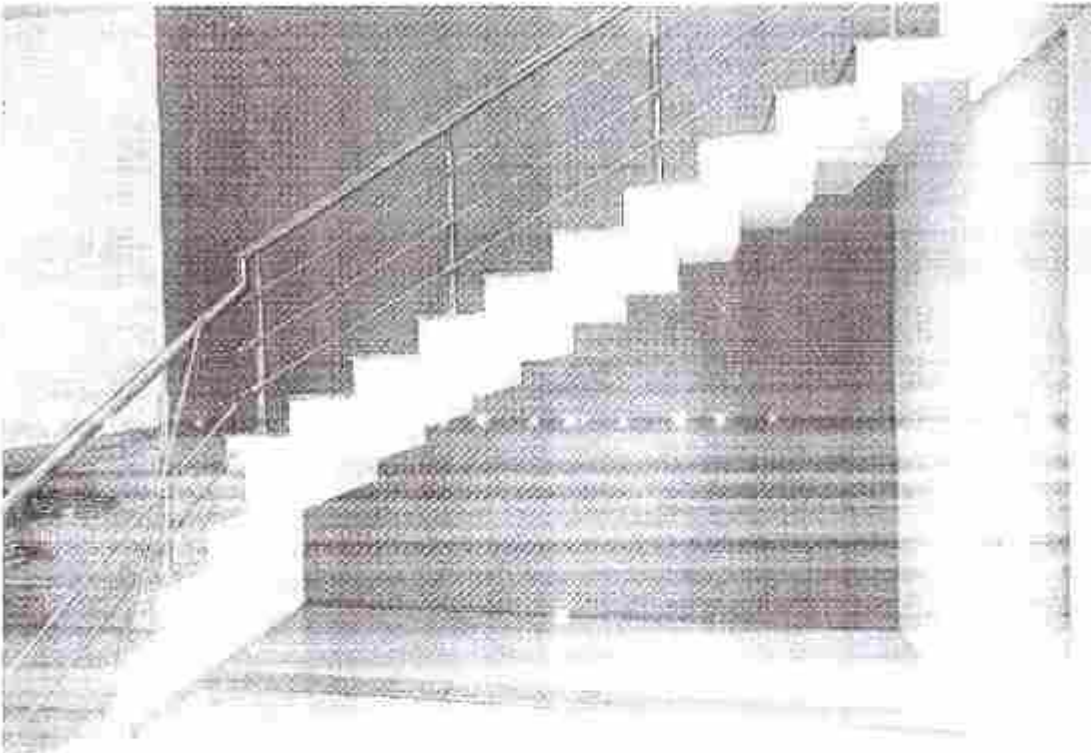

Balance 10 % for scrap value

Grand Total = 90 % for 80 years

Depreciation for this building = 2.5 %

48. Value of building after depreciation :	
	Rs. 3325000 X $\frac{97.5}{100}$
	= 3241875/-
49. Value of the property :	Land Value + Depreciated building value
	= 3976000 + 3241875
	= Rs. 7217875/-

Hence clear market value of the property = Rs. 7217875/-

The one problem of Prof. Nalini Dholakia has been fully sponsored by our company. The problem concerns the project work to make a fully dynamic website and the objective is to make the QR Code as a payment method instead of payment gateway and the expected outcomes are:

1. Keyword Dynamic Website
2. User friendly Admin Panel
3. Effective QR code that promote Sharing & networking
4. Benefits of QR code is that it's cheaper than payment gateway that makes website easy to use & will have quick response than other feature of digital marketing network.

We request you to please consider our industrial problem as a project work of UG student and provide the solution. The necessary aid required for completion of project work will be provided from our side.

Subject: Regarding Appointment as Course teacher for Value added Course

Dear Madam,

We are glad to inform you that we are appointing you as course teacher for the value added course "C programming" for F Y B Tech Students (Div C and D). The appointment is purely temporary. The remuneration will be 72% (60% + 12% of the departmental distribution amount) of the total collection of the fee, which includes teaching (Theory and Practical), conduction of examination and assessment of the examination. The course duration is for 30 hours. The course must be conducted on weekends or holidays only strictly.

The course must be assessed by conducting the examination of 50 Marks. The examination will be subjective and the result must be declared within a week.

Thanking You,

  
Dr. D. B. Unde  
Dept IQAC Coordinator

  
Prof. M. B. Bhilavade

## Attendance Certificate

Date of Issue: 10th April 2023

This is to certify that **Phutane Manisha U.**, has attended the two-day **e-Yantra Symposium 2023** on **5th & 6th April 2023** held at **Indian Institute of Technology Bombay**.

The event focused on the following topics -

1. Design Thinking Workshop
2. Panel Discussion on "Role of e-Yantra Labs in Industry/Academia Interaction" & "The Challenges of Implementing NEP 2020"
3. National Finals of e-Yantra Innovation Challenge (eYIC 2022-23) Exhibition
4. Talks on Building High - Tech Startups & Taking Ideas to Products in MedTech
5. e-Yantra Lab Ranking model and Top 3 e-Yantra Lab's presentation

The goal of the event was for faculty to benchmark themselves and their e-Yantra labs against other e-Yantra labs. For ideas exchange and to explore creating a problem solving outlook in their own college.

This is the first step to building a startup ecosystem. The event was a great success.

Dear Onkar Arun Tibile,

### Greetings from e-Yantra!!

Welcome and Thank you!!!  
You have successfully registered for the e-Yantra Robotics Competition (eYRC-2023-24) and are a few steps closer to completing the registration process.

Your next step is to create e-Yantra Login account (if you have already created, please ignore). This will be your direct way into the eYantra (eYRC) portal.

Use a same email address for individual e-Yantra account as well as team registration.

Here is your team registration details:

Your Team ID : 3392

### Steps to complete your registration:

- Each team member must activate and login to their account.

12/18/23, 4:10 PM

Dr. J.J. Megawar College of Engineering Mail - Fwd: e-Yantra Robotics Competition Team Registration

- Ask your team leader to Pay the registration fee.
- Each team member should fill his/her profile details and upload a College ID card photo.

Thank you for participating in the e-Yantra Robotics Competition (eYRC 2023-24).

For any queries, please contact us at [helpdesk@e-yantra.org](mailto:helpdesk@e-yantra.org) and mention your team id in the email subject.

Best wishes,

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website <http://www.iaeng.org/membership.html>
